

4th Annual Australian Deprescribing Network (ADeN) Meeting

4 December 2017 - 9am to 4.15pm Local Brisbane Time (10am to 5.15pm ADST)

Welcome to the 4th annual scientific meeting of the Australian Deprescribing Network. This year's theme will include a focus deprescribing in the digital era of electronic medical records, e-prescribing, e-consultations, smart phone apps, and social media.

The day long program will showcase advances in deprescribing and feature a host of abstract presentations.

The meeting coincides with the ASCEPT forum which is being held in Brisbane from 5th to 8th December so add an extra day to your leave and come and enjoy both meetings.
